

ANNOUNCING AUTODESK 2010 EDUCATION SUITES

For the first time ever, Autodesk is introducing Education Suites developed specifically to prepare the next generation of architects, engineers and digital artists with extensive sets of 2D and 3D software and custom curricula.

THE SUITES:

- Autodesk Education Suite for Architecture and Engineering
- Autodesk Education Suite for Civil and Structural Engineering
- Autodesk Education Suite for Mechanical Engineering
- Autodesk Education Suite for Industrial Design
- Autodesk Education Master Suite - containing all products from the Industry Specific Suites.
- Autodesk 3ds Max Super Pack
- Autodesk Maya Super Pack

See below for a break-down of the suites.
